RE: **2nd Dose H1N1 Flu Clinic- Tues, December 15,2009**
Snow Date: Fri, December 18, 2009 if no school on 12/15.
Community Room - Cape Elizabeth Fire Station

We have rescheduled our H1N1 2nd dose vaccine clinic for all of our students who participated in either of the H1N1 clinics we offered earlier this Fall. Following are important points to allow the Clinic to run smoothly with the least amount of waiting time for all participants.

1. The clinic will be after school hours.
2. This clinic is for children who are 9 years old or younger. If your child was 10 years old at the time of the 1st immunization, they do not need a 2nd dose.
3. Pond Cove students will need to be accompanied to the clinic by a parent or other trusted and familiar adult who will be able to comfort the child during the immunization process if necessary. **Children should follow their standard dismissal plan unless they have a 3:00 appointment time. If you do have a 3:00 appointment, please pick your student up and take them directly to the clinic.** There will not be supervision to keep students in school until their appointment times.
5. To **minimize waiting time** for children and parents, we are asking families to come to the clinic during the following appointment times, which are scheduled alphabetically. If your time is not convenient for your working schedule, you may attend at another time. However, we are hoping that most children will arrive within the designated time frame. **Please bring your child's permission form with you to the clinic. Thank you.**

3:00	A B	4:20	K L M
3:20	C	4:40	N O P Q R
3:40	D E F G	5:00	S T
4:00	H I J	5:20	U V W X Y Z

6. **Parking:** Please plan to park in the large parking lot behind the Community Services building. Do not drive through, or plan to park, on Jordan Way or in any of the parking lot areas directly around any of the Public Safety Buildings.
Entry to the clinic will be the side entrance to the community room that is on the High School side of the fire station building.
